Round 1-10: Knit

11: K2, K2tog, repeat around (15 sts)

12-13: Knit

14: K1, K2tog, repeat around (10 sts)

15-16: Knit

17: K2tog, repeat around (5 sts)

18-19: Knit

20: k2tog, k2tog, k1

21-22: Knit

23: k2tog, k1

24-25: Knit

Loosen the two remaining stitches and cut working yarn, leaving a 6" tail. With the remaining yarn, wrap strand around thumb 10 times, slip off thumb, flatten, and slide through the two loosened stitches, so that loops stick out both sides of stitches. Pull the yarn tail to cinch the stitches tight. Use darning needle to secure yarn tails. Cut the ends of the loops to form a pom-pom.
